PARISH ACCOUNTS – YEAR ENDED 31st AUGUST 2026

	**The ordinary cost of running the cathedral parish in the year was £651 per day or £4,569 per week.**
	**Each adult attending Sunday Mass donated on average £4.23 per week, which amounted to £3,058 per week in total (67% of our day to day running costs).** **We also received money from things like car park charges, candles, donations, and rent from the diocese.**
	**A recent costing by surveyors of the essential repairs and maintenance required to the building over the next few years indicates the need to spend about £2.5 million.**

	**On 31st August 2026, the parish had a bank balance of £149,315 and £530,061 on deposit. This is after *Closer to Christ* donations of £57,982 and three large donations totalling £75,000.**
